Customer-focused professional transitioning into web development, skilled in HTML, CSS, JavaScript, React, GitHub, WordPress, and Elementor. Strong communicator with experience translating client needs into functional, user-friendly digital solutions. Combines technical proficiency with problem-solving and organizational skills to deliver high-quality web experiences.

PROFESSIONAL EXPERIENCE

January 2026 - Current

Student Intern at *Chickasaw Nation School-To-Work Program*, Norman, OK

Front-End Web Developer & Repair Technician - Electrode Repairs

- Planned, designed, and developed a responsive business website for Electrode Repairs as both an internship assignment and final Software Engineering Teams project.
- Collaborated with a team member using version control to manage project files, track changes, and support an organized development workflow.
- Built and refined site layout, navigation, content structure, and visual design to support business goals and improve Electrode Repairs' online presence.
- Performed front-end QA and optimization, including HTML/CSS validation, Lighthouse audits, responsive viewport testing, cross-browser checks, accessibility review, and image optimization.
- Communicated with stakeholders to gather feedback, clarify requirements, revise content, and align the final website with the needs of the business.
- Assisted with troubleshooting, device repair workflows, and hardware-related tasks while continuing web development coursework during scheduled downtime.

October 2025 - Current

Barista & Bartender at *Kruse PEO*, Oklahoma City, OK

- Crafted high-quality beverages while ensuring adherence to health and safety regulations.
- Provided exceptional customer service, fostering positive experiences and repeat business.
- Managed inventory levels, reducing waste through effective stock rotation practices.
- Implemented streamlined workflows, improving order fulfillment times during peak hours.
- Performed opening and closing duties, printing sales reports, setting up for incoming shift, preparing cash drawers, and taking inventory.

May 2024 - August 2025

Server at *OKASIS at OKANA Resort & Waterparks*, Oklahoma City, OK

- Delivered exceptional customer service by efficiently managing 7-30 cabanas and outdoor pool area.
- Collaborated with kitchen staff to coordinate timely delivery of orders to guests.
- Maintained cleanliness and organization of service areas, adhering to health and safety standards.
- Sustained an upbeat attitude in high-pressure situations, contributing to a positive workplace culture.
